

January 2012

Dear Parents and Guardians,

May all God's blessings be yours!

This is an exciting time for you and your family. Your sons and daughters are about to begin preparing to receive First Eucharist. Throughout their preparation, the children will become even more closely joined to Jesus as they learn and experience the wonderful ways in which Jesus becomes part of their lives.

It is a very special time for both you and your child. As a family you will be working together in this preparation. By encouraging your child to talk about their faith, to pray together with you, to do helpful things for others, and to love as Jesus did, you will be making their reception of the Eucharist even more special and meaningful.

The packet that you are receiving is filled with information. Please take a moment to review the information carefully and return all forms by the appropriate due dates to be sure that your child gets scheduled properly to receive First Eucharist. If you have any questions at all please feel free to contact me.

This is a special time indeed. The entire Saint Margaret community is excited for you and your family. May the blessings of this time be a constant light for you and your family!

Peace be with you,
